

Puffs Character List

This show can be cast with as few as 11 actors, but may be cast with many more!

Wayne Hopkins

The hero. Totally uncool, but full of charm and heart. Loyal to a tee. Likes comic books and video games, knows nothing about magic or this weird magic world he is now a part of. Best friends with Oliver and Megan.

Oliver Rivers

One of the main trio. Incredibly smart and cerebral, he is a math wiz, and proud of it; lovingly a nerd from New Jersey. After ending up at wizarding school, he finds out he isn't the top of his class, and instead begins a fantastical journey of friendship and even some love, better than any algebra class could ever promise. Real comic chops, incredibly appealing, youthful.

Megan Jones

One of the main trio; begins the show by only desiring to live up to her mother's reputation: a dark wizard currently in Wiz Priz for being such a bad-ass Death Buddy in her youth. Favorite store: Hot Topic. Favorite color: black. Over time, her tough veneer begins to soften, as a budding romance with Oliver becomes apparent. Defiant and headstrong on the surface, the audience begins to see that her adamance of being completely unique and independent really stems from her desire to be loved and accepted.

Narrator

The narrator of the story. She/he guides us through our entire show of Puffy-ness. British accent. Must be a great storyteller, as she/he must keep the audience engaged and updated on all the goings-on. Can be a bit of a know-it-all, but still relatable and appealing. Comedy skills a must, improv background is a plus.

Leanne

A little distant. A little random. Is possibly a genius or really, really stupid. But has a really strong heart. The Puffiest of the Puffs.

Ernie Mac

Proud. Loud. Pretty sure he's the best.

Hannah

Shy. Very shy.

J. Finich Fletchley

Boyish & fun. Chipper and happy except, when his life is in mortal danger.

Sally Perks

She goes to school here.

Susie Bones

Sad. Gloomy. Think Eeyore from “Winnie the Pooh.” Constantly in fear of her or her family dying.

Cedric/Mr. Voldy

An appealing comic actor to play the pivotal roles of Cedric in Act I and Mr. Voldy in Act II. Cedric: A champion. Athletic, winning, popular, and charming. Everyone’s favorite, but still loyal, patient, and kind. A leading example of a Puff. Mr. Voldy: Evil. Like, reeeaaally evil. Wants to rule the world in shadows and darkness and terror.
